

Health Check-Important Instructions

Kindly book an appointment with our Appointment Booking Team to ensure your choice of package. They are equipped to assist you with any queries, clarification or guidance you might require in selecting a Health Check up Package .

We recommend that you consult your family doctor in deciding the appropriate package for your age, sex and medical condition.

If instructed to report fasting , please do not consume any food or drink from 10.00pm before your Health Check (including morning tea).

Kindly collect the Health Check Up Kit consisting of the registration form, medical history , and stool container from the ground floor reception of the centre before Health Check Up.

Please do not bring a urine sample from home, as it needs to be deposited as close to the blood collection as possible for accuracy of test results.

Females kindly ensure that you do not have an appointment for Health Check on the days of menses (periods) as PAP Smear and Urine Routine will not be carried out .

Kindly carry your past medical records and current medications details along with you.

If you are known hypertensive or diabetes , please take your medication as per usual routine.

Please wear comfortable attire and foot wear and avoid jewellery on the day of Health Check up.

Do not consume alcoholic beverages including wine and beer, 72 hours prior to the Health Check.

If you require a TMT test, kindly carry sports shoes. Male executive might require to shave their chest (collar bone to abdomen).

If you require a mammography test a written prescription from a registered physician is required for ladies below 40 years of age.

One relative, accompanying the an additional charge of Rs . 100/-.

All the rates are subject to change without prior intimation.
