# INSTRUCTIONS FOR HEALTH CHECK-UP

---

- ✦ Kindly book an appointment with our Appointment Booking Team to ensure your choice of package on **033 7198 1800 (Helpdesk)**. They are equipped to assist you with any queries, clarification or guidance you might require in selecting a Health Check up Package.
- ✦ We recommend that you consult your family doctor in deciding the appropriate package on your age, sex & medical condition.
- ✦ If instructed to report fasting, please do not consume any food or drink from 10:00 pm the night before your Health Check (including morning tea).
- ✦ Kindly collect the Health Check Up Kit consisting of the registration form, medical history form and stool container from the reception of the centre before Health Check up.
- ✦ Please bring your stool sample on the day of check up. If you haven't collected the Health Check up kit, you are required to bring it in a sterilized container and transfer the sample into our Diagnostics Centre container.
- ✦ Please do not bring a urine sample from home, as it needs to be deposited as close to the blood collection as possible for accuracy of test results.
- ✦ Females kindly ensure that you do not have an appointment for Health Check on the days of menses (periods) as PAP Smear & Urine Routine will not be carried out.
- ✦ Kindly carry your past medical records & current medications along with you.
- ✦ If you are known hypertensive or diabetics, please take your medication as per usual routine.
- ✦ Please wear comfortable attire and foot wear & avoid jewellery on the day of Health Check up.
- ✦ Do not consume alcoholic beverages including wine & beer, 72 hours prior to the Health Check.
- ✦ If you require a TMT test, kindly carry sports shoes. Male executive might require to shave their chest (collar bone to abdomen).
- ✦ All the rates are subject to charge without prior intimation.
